

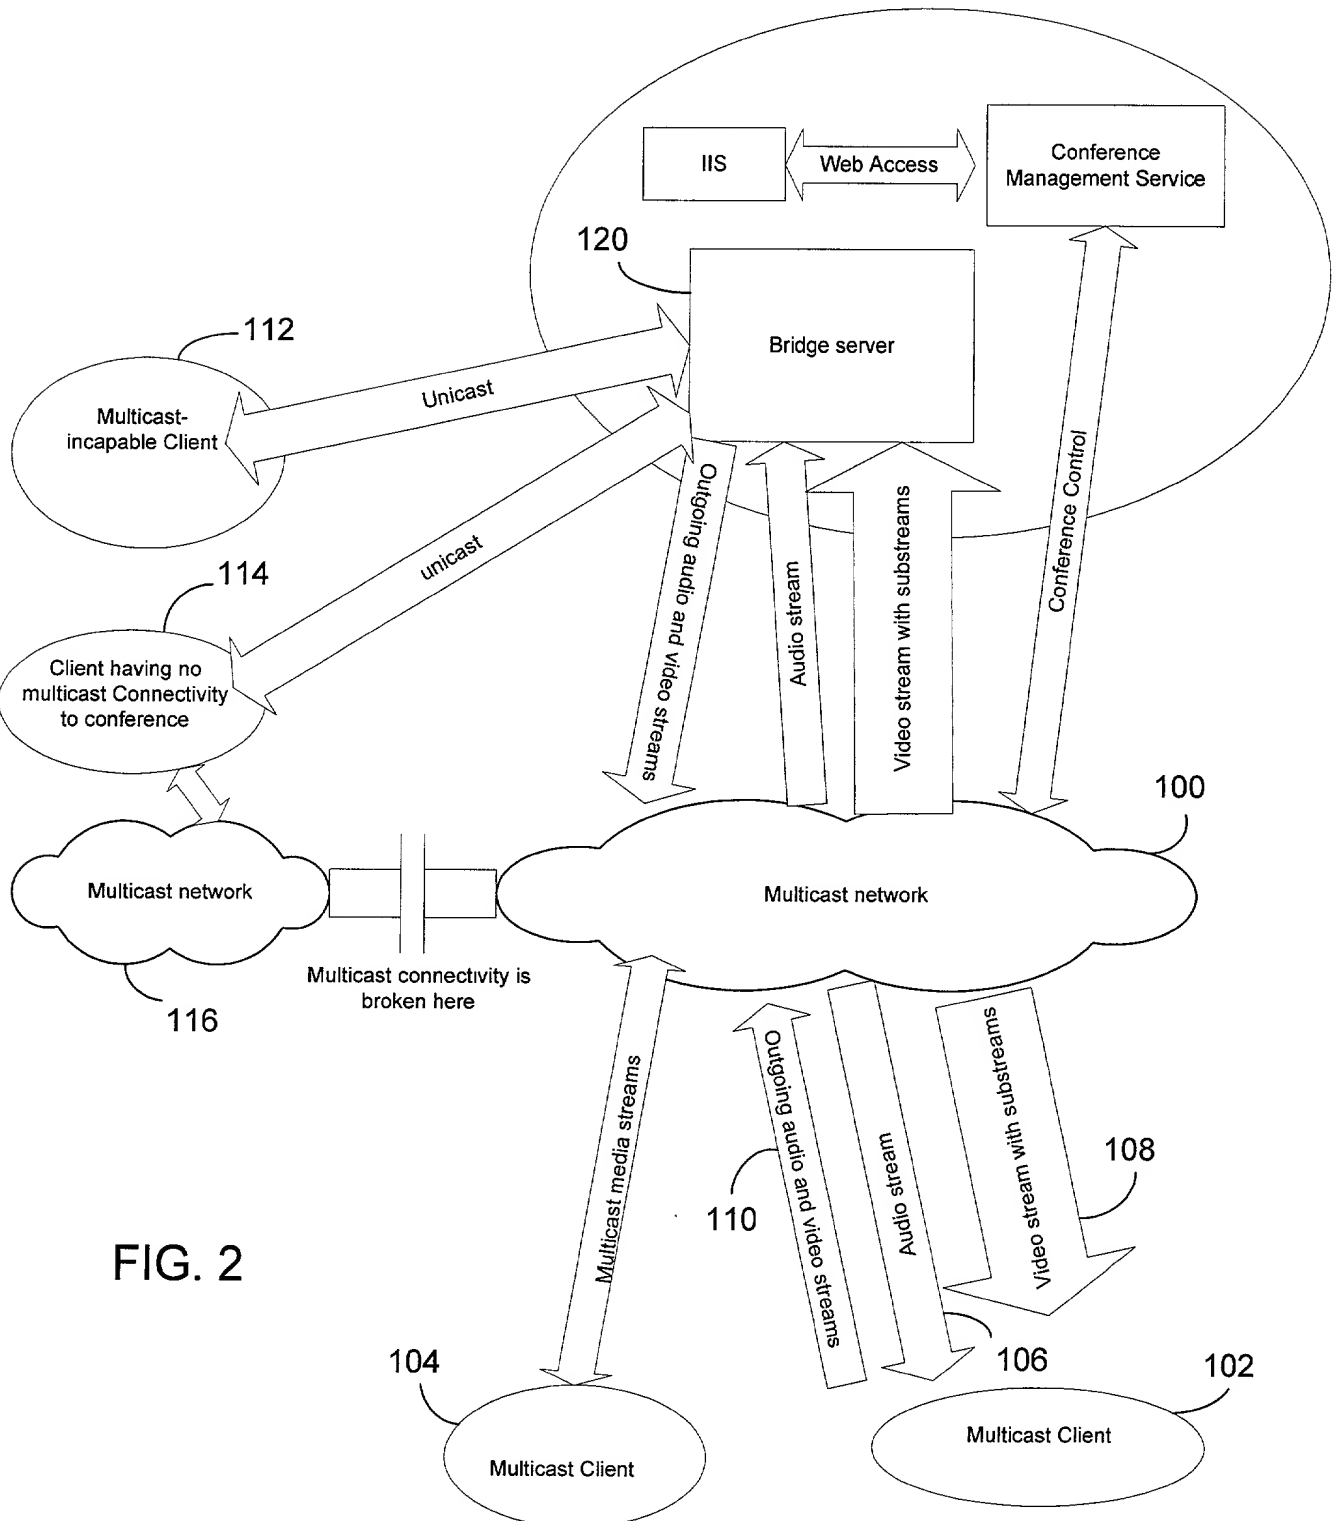

Figure 1

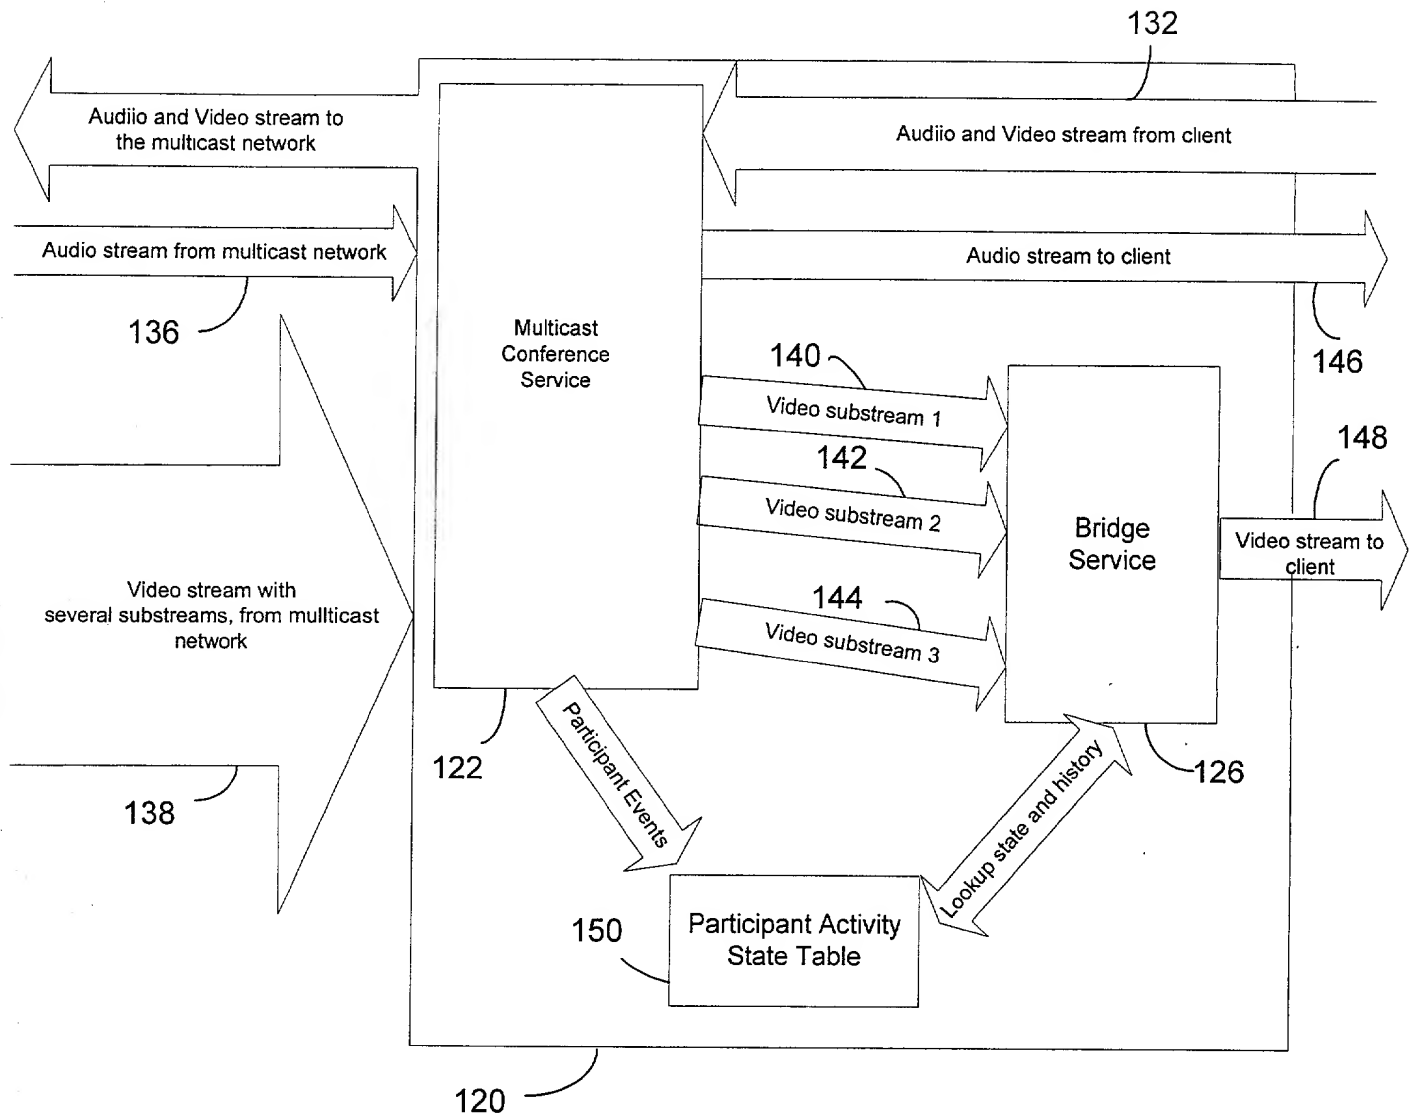

FIG. 3

The diagram shows a table with five columns and five rows. The columns are labeled as follows: 152 points to the first column (Participant ID), 154 points to the second column (Participant Name), 156 points to the third column (Other Participant Info.), 158 points to the fourth column (Participant Activity States), and 160 points to the fifth column (Weight). The label 150 points to the entire table structure. The data in the table is as follows:

Participant ID	Participant Name	Other Participant Info.	Participant Activity States	Weight
bill@foobar.com	Bill Best	. . .	. . .	300
cindy@foo.com	Cindy Crown	. . .	. . .	12000
steve@bar.com	Steve Shurr	. . .	. . .	99999
matt@foo.com	Matt McNair	. . .	. . .	7000
